

# **NOTICE**

## **RESIDENTS OF ANSONIA**

### **Ansonia Fire Hydrant Flushing**

The Village of Ansonia Utility Department will be flushing all fire hydrants in the Village's distribution system. Flushing of hydrants will start on Monday, October 2 thru Thursday, October 5, 2023.

The flushing is necessary to remove iron accumulations from the mains. Residents may experience periods of rusty water during this period.

All customers are recommended to allow 24 hours before washing clothes. Residents may want to check their water before you start washing clothes.
